

Online Services works in conjunction with our desktop system
 Connect to all the services listed for a low monthly subscription

ZippySync®

Use the ZippySync App to select and automatically send photos directly from your phone, tablet or iPad back to your WASP desktop system. Install the App directly from the Google Play or the Apple App Store.

Time Clock

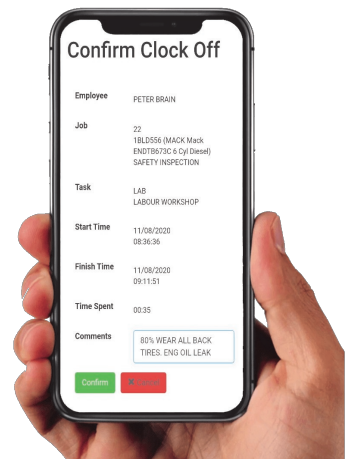

Employees can clock on/off jobs using a PC, phone, tablet or iPad. The actual hours are automatically recorded against the job.

Job Browser

View jobs, job lines and images on your phone, tablet or iPad.

Job Tracking

Display active jobs and job status, by date and time required, on a large TV in office or workshop. Runs from a dedicated Set Top Box.
